INSTRUCTIONS FOR PLACING CRYSTAL STRANDS

DIRECTIONS

1) Start with a **LONGEST** strand.

- Fasten on any one of the bottom inside Loops, under the Bobeche, near the neck.
- Follow the steel tubing to the TOP of the chandelier, and hook at the Neck Loop under the Crown.

2) Next...take a **MEDIUM** strand.

- Hook on the next **NECK** Loop, follow down and hook on inside Loop.
- Proceed to the under-crown Loop and repeat the above process.
- Continue **AROUND** the chandelier this way.

3) Take the **SHORTEST** Strands and "strand" them between Lower Arms, using same inside Loops used to hang draping strands.

4) Hang Drops off **SQUIGGLES** atop Crown, and on outside Loops under each Bobeche.
