January 2008

- SHOWROOMS:** We are represented by the finest designer showrooms throughout the U.S. and Canada. They are best qualified to assist you in specifying our fixtures for your projects. Call us for the location of one near you, or visit our website for a listing: www.studiosteel.com
- MODELS & DESCRIPTIONS:** You can locate these through our showrooms, in our brochures, or on our website.
- FINISHES:** Traditional: Antique or Painted Rust, Natural Steel, & Antique or Matte Black.
Premium (+10%): Black Gold, Dark Natural, Antique Gold, Faux Red Rust, & Antique Bronze.
Borghese (+15%): Silver Pearl, Silver Pearl w/Highlights, Golden Pearl, Golden Pearl w/Highlights
Distressed (+20%): Distressed Gold, Distressed Ivory, Distressed Pewter.
Custom Finishes, Powder Coating, Finish Effects, and Strike-Offs are available for fees / upcharges.
- CHAIN & WIRE LENGTH:** Correct length of chain & wire is critical when placing order. Miscalculations can be costly. Each fixture has a specified amount of wire & chain included in price quoted & on Retail Price List.
- ROD LENGTH:** Hanging Rods available for any of our chandeliers or lanterns in the same finish as fixture. Canopy at ceiling adds approx. 2.5 inches. When measuring, err on the shorter side, make up with 1 or 2 links of chain at top. Vine hanger is also available in same finish as fixture.
- CANDLE SLEEVES:** Parchment (paper) sleeves are included. Color choices: white or cream. Colors and lengths pre-determined on each piece, unless otherwise specified. Drip wax candle sleeves available in white (ivory) or cream (beeswax color). Prices additional and vary depending upon length of sleeves.
- CLIP-ON SHADES:** Beige, European, Antiqued European parchment shades are available, as well as White Linen and Capiz Shell shades. Shades are accessories, and additional cost per shade.
- CRYSTAL FEATURES:** Many of our fixtures are available with crystal & glass components. It is critical to choose the colors of any of the following applicable to your fixture: crystal strands, clips, tear drops, pear drops, pendulogues, cut-pendants, hanging balls, beads. Call us for choices and options.
- LAMPING:** Fixtures are  listed & wired for 60 watt candelabra bulbs, but we recommend max. 40 watts. Do not use more than 25 Watts with wax candle sleeves and only 40 Watts with parchment shades.
- ESTIMATES:** We recommend requesting written estimates or quotes (Fixture + Boxing + Freight) prior to ordering.
- SHIPPING:** We have contracts with ABF, UPS and FED-EX to provide safe, secure, delivery from our facility in Los Angeles to your final destination, at a discounted rate. Most shipments go Freight Collect. Please provide the full "Ship To" address, zip, contact and local phone # on original Purchase Order. We never ship an order until full payment received, and the showroom has "RELEASED" it. We are prepared to box & ship the week of the TARGET SHIP DATE, unless we have not received the final payment & a "RELEASE" from the showroom at least 5 to 10 days prior to target ship date.
- EXPEDITED ORDERS:** RUSH and QUICKSHIP orders are possible on most fixtures, in most finishes. Antique Rust, Antique Gold, Distressed Ivory, Custom Finishes & Powder Coat not available for expedited orders. Contact showroom for any programs in effect to offer quicker turn-around times than 8 weeks.

Contact us directly or your nearest showroom for additional information or visit our website www.studiosteel.com for more information and visuals.
